TOWNE TALK
"Just for Fun"
By RAS BERRY

For about one yr. Al Bond has been bragging about that there auto of his and everybody else has been telling him that he would change his mind some day when the motor dropped out on the road or something like that and I guess he has changed his mind now because the other day why Charlie Schultz had to come to Al's assistance with a old Ford wrecking car and he hooked on to Al's auto and hauled him all around town so everybody could see him. Al says he thinks it was radio interference that put his rattler on the fritz but the boys in the shop they say it was just natural worthlessness.

Ray Trimm—yeah, he's a barber too—Ray he asks Slip Kelsey for a pipe full of smoking and Slip hands him a package of Half and Half and Ray takes out a hod that measures one cubic foot capacity and empties the can into it and Slip says hey this is half and half not 90 and 10.

Warren JohnsTon says he ain't gona help build that dawg house unless I change my ideas about the size of dawgs that boys should have for chums. I knew they would be a catch to it somewhere but it is all right with me because I don't need no help building dawg houses and only was hoping to help keep Warren busy which I now realize is a forlorn desire.

Edd Huddleston says that Mrs. Hudd wrote that prize story on a writing table sold in the store and he advises anybody who is planning to write stories to come in and buy one of them tables.

Thus, says Mrs. Hudd, does commercialism enter uninvited into the sacred realms of art.

Who is this guy Art, asks Hudd.

METHODIST EPISCOPAL
Rev. A. Lyall, pastor. On Sunday morning at 11 o'clock the theme will be "Christian Faith for the Thoughtful and Curious." Our morning service only lasts an hour. Last Sunday we again broke our attendance record. We are having a normal growth; people coming once feel at home and want to stay. There is no excitement; reverent atmosphere where you can worship in calm. The church has a definite program, which includes the community and civic affairs. We are helping Torrance to become more church-going.
Evening worship, 7:30. The young people members of the Epworth League are conducting the church service. Who can resist the contagion of youth? These aspirants

have a thoughtful, burning evangelistic message. Who said there was a revolt of youth? Song and story—brief, sharp, and joyous.

\$15,000,000 more

\$15,000,000 more to meet the demand for Oakland and Pontiac Sixes

Scarcely twelve months ago Oakland was only one of many manufacturers striving for preeminence. Today it ranks among the largest builders of motor cars in the world. Responsible for this tremendous growth have been a continuous series of triumphs resulting in a record-breaking 212% increase in business over 1925.

With the advent of the past year, came the introduction of the Pontiac Six. So great was the demand it created, that in six months Pontiac Six production had exceeded the greatest full year record previously scored by a new make of car. And by the end of the year, with Pontiac production reaching 76,523 cars, that record had been surpassed by more than 100%! In July came the Greater Oakland Six with 77 refinements, featured by that epochal engineering development—the Rubber-Silenced Chassis. And in every section of the land, Oakland sales leaped upward, necessitating the unprecedented production of 57,566 Oakland Sixes—nearly 15,000 more than in 1925—and surpassing any previous record in Oakland's twenty year history.

Now, with its position securely established, Oakland-Pontiac bids for new and greater heights—for over fifteen millions of dollars are being invested to provide for greater production.

In the strictest sense, this huge investment represents more than an expression of confidence by General Motors in Oakland principles of design, manufacture and distribution.

It stands as a tangible pledge to the public at large that in fundamental goodness and fundamental value Oakland Six and Pontiac Six will continue supreme in their fields!

Pontiac Six, \$825 to \$975. Oakland Six, companion to Pontiac Six, \$1025 to 1295. All prices at factory. Bodies by Fisher. Easy to pay on the liberal General Motors Time Payment Plan.
